2. **NAVIGATE TO THE ADMINISTRATION PORTAL**

From the AMC Dashboard, click on the Competition Administration Portal. Your Administration is divided into “Digital Administration” and “Print & Scan Administration,” with relevant competition materials for each format. You can choose to administer the competition digitally, on paper, or both.

3. **INVITE YOUR STUDENTS TO REGISTER**

In the Administration portal, click on "Student Registration" to access the Student Registration URL. **CMs must send students the registration link as soon as possible.** Once your student is registered, they will appear on this page and can take the competitions in Digital or Print & Scan Administration. **For Digital Administration:** CMs can access the released practice competition by logging onto the AMC Platform and clicking the "Practice Competitions" Button under the first column of their AMC Dashboard.

**For Print & Scan Administration:** CMs can also print a practice competition booklet to assess how long it will take to print materials for Competition Day. Once students register on the platform, CMs can print the official student answer sheets ahead of competition day. Note: answer sheets are unique to each student.

**For Digital Administration:** We highly encourage all students to try the digital practice competitions when released, confirming there are no issues taking the competition on their device, browser, and internet connection. If students have technical difficulties taking the practice or official competitions, please email amctech@maa.org.

DISQUALIFICATIONS AND CHEATING

All disqualifications, cheating accusations, and suspicious behavior are taken seriously by the MAA AMC office and must be reported to AMCHQ@maa.org.

The CM proctor must not answer any questions about the problems during the competition and should ensure that no participant has the opportunity to communicate by any means with any other person while the competition is in progress.

Disqualifications by Competition Manager
If it is clear to the competition manager from personal observation that a participant has cheated, the competition manager must disqualify the participant. After the participant is disqualified, the competition manager must notify the AMC of the disqualification for further action.

Submitting a cheating accusation or suspicious behavior:
It is critical to support the claim with facts or documentation. If the competition manager receives an accusation or obtains indirect evidence of cheating, the competition manager must immediately report all evidence of the situation to the MAA AMC Office at AMCHQ@maa.org.

The MAA AMC Office reserves the right to disqualify scores if it determines the rules and procedures were not followed.

Consequences for disqualified students:
Scores will be removed from AMC historical data, and students will be ineligible to compete for the remainder of the cycle and, potentially, all future competition cycles.
Pricing for the AMC 10/12 is $2.70 per participant, packaged in bundles of 10. Each bundle consists of 10 student registrations, which can be applied to either digital or print & scan administration. Discounted pricing is applied to orders paying with credit card. All payments are processed on the MAA AMC Registration website: amc-reg.maa.org. There are no other required registration fees on any other website.

The AMC CANNOT provide refunds or credits once competition materials are ordered.

Results and Resources for Competition Managers:
CMs can access score reports on the AMC platform 24 hours after the competition. Reports will be released immediately for students who took the competition in digital format. For the Print & Scan Administration, reports will appear in the CM Dashboard within 24 hours of CMs uploading the student answer sheets.

Note: If you do not see your results in the AMC Platform within two days of submission, please contact amctech@maa.org.

Download and print fillable PDF certificates:
Certificates will be found under the "After the Competition" column of the AMC Dashboard. Recognize student participation and high scores.

Retain the digital score report for future reference
MAA AMC cannot look up individual student scores after the competition. Many students cite these scores on college applications.

Pricing, Refunds and Credit

The MAA Committee on American Mathematics Competition may change the program rules, regulations, awards and conditions of participation in whole or in part. Whenever possible, competition managers will be notified of these changes ahead of time.
